

FORENSIC SILICONE

AccuTrans[®]

The trail of evidence

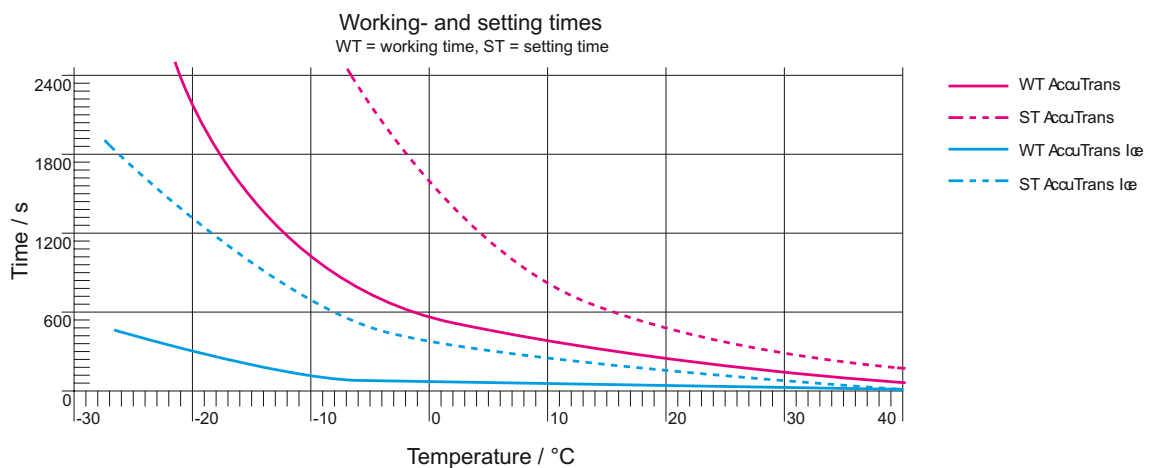

Impressions with forensic precision

www.IDTechnologies.com

Simple, quick & accurate

AccuTrans was developed specifically for applications in the forensic field. Its tear resistance and the ideal elastic recovery of more than 99.8% are the key to a precise impression result. Due to its special coloration and the homogeneous mixing, without air pockets, the impression can be examined under the stereoscopic microscope without any undesirable light reflections.

- Easy application
- Stable even on vertical surfaces - does not drip from the application surface
- High elasticity – no ripping or tearing of the material, even with thin layers
- Safe use – no harmful ingredients
- Excellent readability under grazing light – with up to 80-fold magnification
- High storage stability – problem-free storage of the impression for several years
- Material does not bleed oil
- The right material for every application

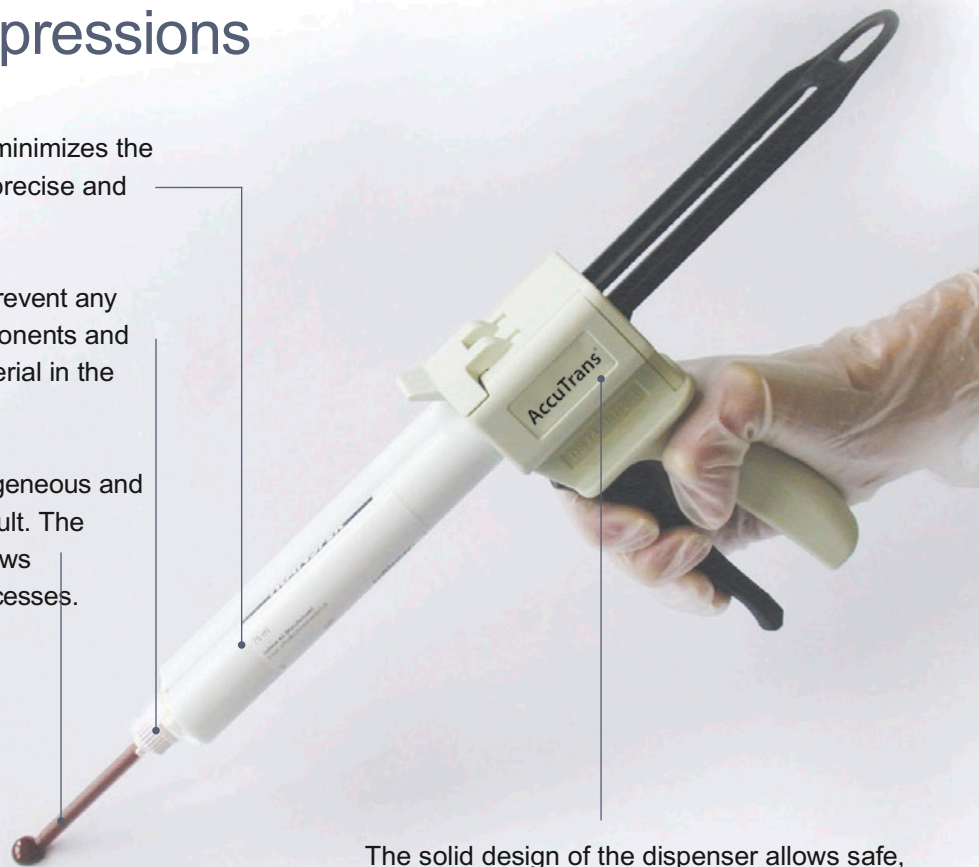

Easy handling and maximum precision for accurate impressions

The AccuTrans cartridge system minimizes the squeezing force and thus allows precise and easy application.

The spaced dispensing nozzles prevent any undesired mixing of the two components and thus the contamination of the material in the cartridge.

The static mixer provides a homogeneous and permanently consistent mixing result. The particularly narrow mixer even allows application in difficult to access recesses.

The solid design of the dispenser allows safe, clean and easy handling.

NEW

AccuTrans in 5ml syringes

- Easy handling due to new compact size
- No residue at low material requirements
- Low weight for precise working

Order information

Sets, 75 ml

- 3700 AccuTrans AB Set (brown)**
4 × Cartridge AccuTrans brown, 75 ml
1 × Dispenser, 75 ml
1 × 60 pcs. Universal Mixing Tips
- 3701 AccuTrans AB Ice Set (brown)**
4 × Cartridge AccuTrans Ice, 75 ml
1 × Dispenser, 75 ml
1 × 60 pcs. Universal Mixing Tips

Syringes, 5 ml

- 60022163 AccuTrans AB (brown)**
20 × Syringes AccuTrans brown, 5 ml
20 × 3 pcs. Mixing Tips
- 60022165 AccuTrans AW (white)**
20 × Syringes AccuTrans white, 5 ml
20 × 3 pcs. Mixing Tips
- 60022233 AccuTrans AT (transparent)**
20 × Syringes AccuTrans transparent, 5 ml
20 × 3 pcs. Mixing Tips

Kits

- 8511 AccuTrans AB Intro-Kit (brown)**
2 × Cartridge AccuTrans brown, 75 ml
1 × Dispenser, 75 ml
1 × 40 pcs. Universal Mixing Tips
- 8512 AccuTrans AW Intro-Kit (white)**
2 × Cartridge AccuTrans white, 75 ml
1 × Dispenser, 75 ml
1 × 40 pcs. Universal Mixing Tips
- 8513 AccuTrans AT Intro-Kit (transparent)**
2 × Cartridge AccuTrans transparent, 75 ml
1 × Dispenser, 75 ml
1 × 40 pcs. Universal Mixing Tips

Refill packs

- 8501 AccuTrans brown**
10 × Cartridge AccuTrans brown, 75 ml
- 8503 AccuTrans Ice**
10 × Cartridge AccuTrans Ice, 75 ml
- 8514 AccuTrans brown**
4 × Cartridge AccuTrans brown, 75 ml
- 8515 AccuTrans white**
4 × Cartridge AccuTrans white, 75 ml
- 8516 AccuTrans transparent**
4 × Cartridge AccuTrans transparent, 75 ml
- 8531 AccuTrans black**
4 × Cartridge AccuTrans black, 75 ml

Accessories

- 6912 Dispenser, 75ml**
- 60020070 Universal Mixing Tips, 40 pcs.**
- 8525 Separator, 50 ml**
- 8526 Spreader Tips, 100 pcs. á 25mm**
- 8527 Spreader Tips, 100 pcs. á 8 mm**
